Honorable Nelson A. Rockefeller
The Vice President
The White House
Washington, D. C.

Dear Mr. Vice President:

The 101st Session of the FBI National Academy which currently consists of 250 law enforcement officers will complete 11 weeks of intensive training with graduation exercises on June 19, 1975. These officers come from each of the 50 states, several Federal agencies, and some foreign countries. It is a privilege for me to invite you to deliver the principal address during the graduation ceremonies to an audience of approximately 1,000 including the class members, families and friends.

The FBI National Academy was initiated in July of 1935 and for nearly 40 years this Bureau has joined in providing instruction designed to enhance the administrative potential of students in attendance. This not only benefits the individual officer but also his department. With the graduation of this class there will be more than 9,000 graduates.

The exercises will begin at 10:30 a. m. and will be held in the auditorium of the FBI Academy located on the United States Marine Corps Base at Quantico, Virginia.

Dear Clarence:

I had hoped my schedule would permit me the pleasure of addressing the graduates from the FBI Academy on June 19th, but unfortunately, a schedule conflict makes that impossible. I find I must be in New York for a meeting both the 19th and 20th.

The invitation is greatly appreciated and I hope you will extend my congratulations and best wishes to each of the 250 officers in the class.

With warm thanks,

Sincerely,
